

F#m. C#m A. B  
My baby don't waste no time calling me mister, yeah

F#m. C#m A. B  
I figure don't waste no time if you ain't trying to be different

F#m. C#m A. B  
My baby don't waste no time calling me mister, yeah

F#m. C#m. A. B  
I figure don't waste no time

F#m. C#m  
The weight upon my shoulders keeps on bearin' down on me

A. B  
It's getting heavy by the day, it's getting harder by the week

F#m. C#m  
Someone must cook the supper when you're building family

A. B  
And I been cookin' up something special callin' it personal recipe

F#m. C#m  
My obligation to be patient has evaded me

A. B  
It seems that most humanity's abandoned in complacency

F#m. C#m  
I assure you I'm inducing daily what it takes to see

A. B  
All this frustration that's built up upon the Lake Erie

F#m. C#m  
I will never tolerate or promulgate the fakery

A. B  
Not for all the flower in the bakery, its sacred

F#m. C#m  
Real dudes pay their dues while the cowards want to pay for it

A. B  
Fake's the only way that you can label it

F#m. C#m  
I'd rather be arrested for protesting 'round the townhall

A. B  
Than second guessing everything and waiting for the groundhog

F#m. C#m  
Every single second is a blessing if you count 'em all

A. B  
Beckoning my own day of reckoning, the downfall

F#m. C#m  
I sit and lie awake I could never fall for

A. B  
The fake sounds of waves on a sleep machine

F#m. C#m  
All I hear is trains and all I can do is

A. B  
Look Forward

F#m. C#m. A. B  
My baby don't waste no time calling me mister, yeah

F#m. C#m. A. B  
I figure don't waste no time

F#m. C#m  
Helta-skelta burn sage, still I'm feeling like a butterfly in a cage

A. B  
My neighbor told me he's depressed, he's in 6th grade

F#m. C#m  
Hole in my pocket often droppin' the change

A. B  
For some instant gratification, never can patiently wait

F#m. C#m  
I want to start a new life somewhere

A. B  
Or maybe move to California but I can't afford the airfare

F#m. C#m  
In fact I can't even afford to breathe the air there

A. B  
(How could you understand?) You're in the clouds, a care bear,

F#m. C#m  
Fair is fair, you're father's rich and mines not

A. B  
All the affluence is influence especially to the cops

F#m. C#m  
If even half of us with incidents spoke up without the indifference

A. B  
In minutes all the power-driven ignorance could stop

F#m. C#m  
Instead of exercising privilege excessively in the present

A. B  
Inhibiting our own levity, pivoting on our message

F#m. C#m  
When civilly its accepted to never question the evidence

A. B  
We're losing our potential for development look forward

F#m. C#m  
I sit and lie awake I could never fall for

A. B  
The fake ass shit on the TV screen

F#m. C#m  
All I want is change, all I can do is

A. B  
Look Forward

F#m. C#m. A. B  
My baby don't waste no time calling me mister, yeah

F#m. C#m. A. B  
I figure don't waste no time
