

Bb F  
I've taken steps, to hedge my bets

Gm Cm Eb  
I made amends with most my friends

Bb F  
I paid my debts and stayed in check

Gm Cm Eb  
I've shown respect, more or less

Bb F  
I even got sober, but you can't get over

Gm Cm Eb  
All the shit I did, when we were kids

Bb F  
And time moved slower, but now we're older

Gm Cm  
And more mature but you're not sure

Bb  
If I'm a bad one

F  
Like there never was a good thing I had done

Gm  
Said she don't like what I've become and she rather

Cm Eb  
be alone

Bb  
I'm a bad one

F  
Everything I did can't be undone

Gm  
Said she don't like what I've become and she rather

Cm Eb  
go home

Bb F  
I held my breath for your two cents

Gm Cm Eb  
But I know it comes with more expense

Bb F  
And I can't rewind us, but it could be fine just

Gm Cm Eb  
Give me that chance to save our plan

Bb  
If I'm a bad one

F  
Like there never was a good thing I had done

Gm  
Said she don't like what I've become and she rather

Cm Eb  
be alone

Bb  
I'm a bad one

F  
Everything I did can't be undone

Gm  
Said she don't like what I've become and she rather

Cm Eb  
go home

Bb F  
I made my bed and laid my head

Gm Cm Eb  
In my regrets and barely slept

Bb F  
I did my best but can't expect

Gm Cm Eb  
You to forget the nights I spent

Bb F  
Out being sleazy, I know it ain't that easy

Gm Cm Eb  
When trust is gone, it's probably gone

Bb F  
I realize completely, how I hurt you deeply

Gm Cm Eb  
I did you wrong, and why you're on...

Bb  
That I'm a bad one

F  
Like there never was a good thing I had done

Gm  
Said she don't like what I've become and she rather

Cm Eb  
be alone

Bb  
I'm a bad one

F  
Everything I did can't be undone

Gm  
Said she don't like what I've become and she rather

Cm Eb  
go home

Bb  
I'm a bad one

F  
Everything I did can't be undone

Gm  
Said she don't like what I've become and she rather

Cm Eb  
go home

Bb  
I'm a bad one

F  
Everything I did can't be undone

Gm  
Said she don't like what I've become and she rather

Cm Eb  
go home
