

F#m B  
Pressure building for awhile (from)

A  
Both sides of the aisle (it's)

B  
Like choosin' scum from bile

F#m B  
Fed the fury from the crowds (all)

A  
Slanderous and loud (some)

B  
Ignorant and proud

F#m B  
Divide and conquer was the vow (but)

A  
Look who's laughin' now (that)

B  
You proved to be coward

F#m B  
Nepotism is the shroud but

A B  
It's all what we've allowed

F#m  
Dollar saved, squalor earned

B  
The dregs of this earth

B  
Will rise up against the empire

C#m F#m  
All it takes is a turn

B  
A turn for the worst

B  
To see who really is the vampire

F#m B  
Fooled the people with a smile (yet)

A

A crooked smile (though)

B

Quickly turned to scowls

F#m B

Build a wall, we'll tear it down (yea)

A

Simply go around (we)

B

Don't think you'll be around

F#m B

The future's bigger than your fist (it's)

A

Too big to resist (if)

B

You'd like we'll show you this

C#m B

It's hard to think about it now 'cause

A

B

It's all what we've allowed

F#m

Dollar saved, squalor earned

B

The dregs of this earth

B

Will rise up against the empire

C#m F#m

All it takes is a turn

B

A turn for the worst

B

To see who really is the vampire

F#5

I chugged a bottle of wine

In the nick of time

Opened up my eyes went blind

Cause all the leaders be committin' crimes

E5

It's been the ugliest thing you could envision

Now they're preaching hate through microphones and some of us decide to listen

A5

They got the means and persistence to keep us all bitchin

Spend a couple trillion 'til everyone can see the vision

B5

I don't see the point in livin' you don't see the bigger picture

Shouldn't be a cost for freedom some of them are getting' richer

F#5

So yes sir it's been all about the money

A5.

E5

But I probably sound funny cause you know I ain't got none of it

F#5

But I don't give a shit

Light a spliff and take a hit

A5

E5

Oppression is a mindset it's time to just get over it

F#5

This a paradigm shift, this a blunt of fine shit

A5

E5

I been off the wagon carry baggage cause my minds sick

F#5

You gon' be fine kid but I lost hope so long ago

A5

E5

My dream is chasing me so I keep running cause it's all I know

Dollar saved, squalor earned

The dregs of this earth
