C Fmaj9
Sometimes it feels like

Am G
The sun won't come out tomorrow

C Fmaj9
Sometimes it feel like

Am G
There's no harder time than right now

C Fmaj9
But it'll be alright

Am G
'Cause happiness can be borrowed

C Fmaj9
From the stranger next to you

Am G
If all they share is a smile

C Fmaj9
Shake, shake off the cold

Am G
Shake off the dust, break with the old

C Fmaj9
Make no mistake, this too shall pass

Am G
All of your woes, will turn into laughs

C Fmaj9
Just keep the faith, stay on the path

Am G
Give what you take, don't dwell on the past

C Fmaj9
Eyes on the prize, don't lose sight of your goals

Am G

All of the highs, come with the lows

C Fmaj9
Sometimes it feels like

Am G
What's been broke can't be mended

C Fmaj9
Sometimes it feels like

Am G
There's only one way out

C Fmaj9
But somewhere deep inside

Am G
A fire burns unattended

C Fmaj9
All you need's a spark from it

Am G
To turn this whole thing around

C Fmaj9
Shake, shake off the cold

Am G
Shake off the dust, break with the old

C Fmaj9
Make no mistake, this too shall pass

Am G
All of your woes, will turn into laughs

C Fmaj9
Just keep the faith, stay on the path

Am G
Give what you take, don't dwell on the past

You'll build upon the struggle

And with some faith you'll find

That there's a brighter side
