

It's that certain feeling

C  
That just keeps me coming

F  
Back to this shithole

A  
'Cause it's the place I know

Dm C Bb A G  
Nothing can break my soul

F  
It's a fight just dealing

A  
With the sight so crummy

Dm  
But with all two seasons

C  
I always know what's coming

F  
There's no surprises when

A  
It's hell for months on end

Dm C Bb A G  
I sure could use a friend

F  
It seems we've been this way before

C  
You don't even know me anymore

Dm  
So leave your judgement at the door

F Bb  
Don't turn the lights out

Dm C  
It's been so long since we've been home

F Bb Dm C  
I hope that I remember the way

F Bb  
Don't turn the lights out

Dm C  
It's been so long since we've been home

F Bb Dm C  
I hope that I remember the way

F  
I left out Muskegon

A  
Heading towards Sandusky

Dm  
Driving on I-90

C  
Moving slow and trudging

F  
Through the ice and snow

A  
Can't see out my window

Dm C Bb A G  
I may not make it home

F  
The air is bitter

A  
But the lake is stunning

Dm  
And the depths of winter

C  
Made me strong and cunning

F  
It took a rugged land

A  
To make me the man I am

Dm C Bb A G  
There's nothing I can't withstand

F Bb  
Don't turn the lights out

Dm C  
It's been so long since we've been home

F Bb Dm C  
I hope that I remember the way

F Bb  
Don't turn the lights out

Dm C  
It's been so long since we've been home

F Bb Dm C  
I hope that I remember the way
